

The Perfect Setting

Western Carolina University

is the perfect setting for a middle-school getaway; not too large and not too small. Located in the far western part of the state, the campus is nestled against the backdrop of the beautiful Great Smoky Mountains.

Great Escapers will experience all the natural resources of the community, the best student recreation around, as well as great programs, dynamic speakers, powerful worship, and a free day to explore, go whitewater rafting, rock climbing, hiking...whatever the group leaders decide!

A week at The Great Escape Western Carolina

promises to be a memorable experience for middle school-aged youth.
